

Third International Conference - **CONSOLFOOD**2020  
*Advances in Solar Thermal Food Processing* - 22-23-24 January 2020

**Spreading the solar cooking virus:  
Some attempts to raise awareness in the UK**

**Dave Oxford & Stewart Maclachlan**

**SLiCK UK**

Dave & Stewart..

**In the UK, people don't  
know about solar cooking**

**How do we change that?**

# 5. Use Facebook Groups:

CONSOLFOOD2020

The image shows a screenshot of the Facebook group page for "Solar Cooking UK". A large, bright green checkmark is superimposed over the page, indicating a positive or successful outcome. The page layout includes a top navigation bar with the Facebook logo, a search bar containing "Solar Cooking UK", and links for "Save", "Home", and "Feed". The left sidebar contains the group name "Solar Cooking UK", its status as a "Public group", and a list of navigation options: "About", "Discussion" (highlighted), "Members", "Events", "Videos", "Photos", "Files", "Group insights", "Watch party", "Moderate group", and "Group quality". Below these is a "Search this group" bar and a "Shortcuts" section. The main content area features a large photo of a solar cooker setup on a table, with a van in the background. Below the photo are buttons for "Notifications", "Share", and "More". At the bottom, there are tabs for "Photo/Video", "Live Video", and "More", followed by a text input field with a placeholder "Write something..." and a profile picture icon.
